On November 7, 2014, Managing Director Stu Hudson presented a Director’s Impact Award to Ann Edenfield Sweet. Ann is the Executive Director of Wings For Life International (WFL), a faith-based organization whose mission includes using volunteers to build transformative relationships in the lives of incarcerated persons and their families. This is accomplished either through holding ‘prison parties’ inside correctional facilities with offenders and their families spending a day of activities designed to rebuild or redefine family dynamics or by having families participate in a community based WFL group which uses volunteers to offer life skills education. Although WFL is based in Albuquerque, New Mexico, Ann has built such strong connections and is so committed to Ohio that she, along with local volunteers, currently holds prison party events annually in eight ODRC facilities and has established a community based WFL in Athens, Ohio.

Memorial & Designated Gifts Honor Loved Ones
One of the many ways that our ministry partners can honor a loved one or reflect the care that a loved one displayed during his or her lifetime is to make a Memorial Gift to Wings. We appreciate these gifts and wish to acknowledge them and the loved ones on whose behalf they were given.
